# BASS ANGLERS

### Treasurer's Report

Dave D. reported \$1,175.00 in the treasury at the December meeting and \$1,204.00 for the upcoming January meeting.

### Club News

The 2007 club roster of paid members is currently at 17. **If you plan on returning as a member for this year you need to get your dues in by the January meeting** (or a firm commitment to one of the officers) so we know how many open spots we have for interested people at the Novi fishing show.

### Tournament Information

The current list of tournament lakes and dates for 2007 is noted below:

May 6	Lake St. Clair C&R
May 20	Kent Lake C&R
June 10	Portage Lake Chain
June 24	Lake St. Clair #1
July 15	Orchard Lake
July 22	Lake St. Clair TEAM
Aug 12	Lobdell Lake NITE
Aug 19	Lake St. Clair #2
Sept 9	Cass Lake
Sept 16	MBI @ Cass Lake
Sept 22/23	Classic Tourn.- TBD

### New Business

The schedule for staffing our booth at the [Ultimate Fishing Show in Novi \(Jan 12-15\)](#) is being set up now. If you are able to help, contact Brian Belevender ASAP. Final details for this will be discussed at the Jan meeting.

### Entertainment

There was none at the December meeting (this doesn't mean it wasn't entertaining, just nothing formal). Members are asked to get ideas to Brian Belevender on what they would like to see in this slot. Don't hesitate to volunteer yourself to present something if you have a topic of interest.

How about a discussion of new items we could look out for at the fishing show??!!!

### Miscellaneous Items

Don't forget the "OCBA Bass Talk Forum" that Chip put together for us to discuss all sorts of fishing related stuff. Enter it using the icon in the upper left corner of our club's home page. Also try the Bass Fishing Talk on Chip's own web site at [www.carolinachipbastalk.com](http://www.carolinachipbastalk.com).

Please keep an eye out for any unusual or interesting articles or other items for this newsletter and get them to me.
